Dear Mr. Frattarelli:

We are in receipt of the remedial investigation report dated June 1993, for the above referenced site. Upon reviewing the report, a mistake was found. Due to an internal error, you were issued TMS# C93-0367 by mistake. The correct number should have been C93-0867. While this may not cause the Department of the Navy any major problems, it does present a tracking problem for us at the Department. In future correspondence please reference TMS# C93-0867 instead of C93-0367. We apologize for any inconvenience this may have caused.

If you have any questions concerning this matter, please contact me at the Bureau of Underground Storage Tanks, Tank Management Section, Phase I at (609) 984-3156.

Sincerely,

Timothy E. Nuss
